Now available on our home page the **2010-11** [membership application](#) for Clear Creek Sports Club. I am very excited about the upcoming year. The club will be hosting some great events from national TV shows to the Master National Hunt Test. What a great adventure it has been from the days at the "Red Bluff Ranch" Clubhouse (portable container) to the new ranch and all the extra things it has allowed me to provide for the members. As always myself and staff do our best to create a great environment and hunting experience and are busy expanding cover and working on the ranch.

There are a couple new items for this year.

Club will open on Wednesday October 20 due to Master National Event.
